The Honorable Arch Alfred Moore, Jr.
The House of Representatives
Washington, D.C.

Dear Mr. Moore:

I just wanted to let you know that my colleagues and I appreciate the cordial atmosphere of the hearing on H.R. 2138 last Thursday and particularly your own reception to our presentation.

I can guess what some of the questions may be with this type of legislation and, therefore, was most impressed by your efforts to dig out these problems and find the answers in advance.

If there is anything further that I can be helpful on, I will be glad to meet with you at your convenience.

Sincerely yours,

John Richardson, Jr.
